

Need good quality supply staff?
How much control or choice do you have?

Manage your temp staffing quality & performance
through instant availability & choice

Who is managing your temp staffing choice quality & performance?

Recruitment agencies choose your temps & determine quality, performance & costs

Temp Quality is critical: poor quality, poor outcomes, unengaged pupils, lower attainment, greater disruption, repeated onboarding = higher costs, time & money

Want to instantly improve your temp staffing quality? Want full choice and control?

Always select the best temps from your network:

- **Directly Connect** with **any preferred workers** from **any agency, 24/7**
 - **Your network** of **high-quality reliable** temps familiar with your school, processes procedures & children
